

## DecisionEd Teacher Workspace

Login using your Windows credentials at:  
<https://goo.gl/QFAMKD> or by visiting  
[www.meridenk12.org/Teachers](http://www.meridenk12.org/Teachers) and  
 clicking on MPS Data Warehouse -  
 Teacher Workspace.

You will see a list of your current  
 schedule (**Teacher Overview**)  
 and three additional tabs at the  
 bottom of the screen. (Classroom  
 Information, Student Detail,  
 Report Quick View). Both  
**Classroom Information** and  
**Student Detail** will provide  
 graphs of student data. By  
 default, Student Detail opens in  
 Privacy Mode. Click a student  
 name to see demographic  
 information, as well as

attendance, behavior, STAR and HST (High Stakes Test) results. The **Report Quick View** Tab provides  
 a list of multiple reports available to teachers. Some reports require additional selections before  
 running. The report will not run if you have not made a selection from every parameter.

You can click on any of the links in the Section Details or Section Assessment Result columns for  
 additional information. Links will continue to appear on subsequent pages, and again will bring you to  
 additional detailed information.

In the upper right hand corner of the window, you have several options for working with the report. The default view is HTML Format. Click the HTML icon to change the view to PDF, XML or work with the data in Excel. If you want to work with the data in Excel, "View in Excel 2007 Data" is the recommended format. PDF format is recommended when printing a report.

Reports will either open in a new tab or new window depending on your browser settings. Return to the Teacher Overview by clicking on the original tab or window. If you click the Home button you will need to select Local Workspaces → Teacher Workspaces → Meriden Teacher Workspace to return to the Teacher Overview tab.
